THE COCKPIT PRICED LIKE AN UPRIGHT!

SEGA

WHERE DOES IT SAY THAT A COCKPIT IS LIMITED TO ARCADES ONLY?

SEGA's Revolutionary STAR TREK™ Cockpit Blows That Myth Away!

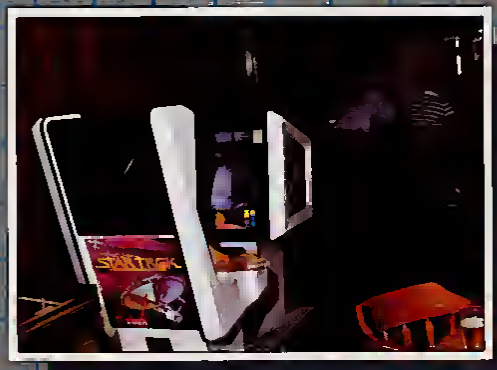
Tremendous player popularity and earnings strength, consistency of earnings and longevity of STAR TREK have already made the upright model a winner, an excellent return on investment.

Now the STAR TREK cockpit opens a whole new universe of locations and increased cash box. The hi-tech styling of SEGA's STAR TREK Cockpit creates excitement in every location. Make it the excitement center (and profit center) of your locations!

CONVENIENCE STORE. Where floor space is an absolute premium, the unique design of SEGA's STAR TREK cockpit packs great excitement and profit per square foot!

GROCERY STORE: Players won't believe it when they walk in the door! A cockpit in a grocery store! Outstanding cash box! SEGA's dynamic STAR TREK cockpit takes up about as much space as a player standing at an upright game.

BOWLING ALLEY. Take advantage of bowlers' spare time as they wait for available lanes. The incredible attraction of STAR TREK assures larger collections and greater profits. The STAR TREK cockpit will bowl them over!



TAVERN The tremendous popularity of STAR TREK makes the cockpit a natural for taverns! The sitdown feaure encourages repeat play.

ARCADE: The showcase piece for any arcade, the STAR TREK cockpit draws a crowd with its bold, space-age styling and action-packed gameplay!
